NEGOTIATIONS 2006: A HAPPY ENDING

Negotiations 2006 turned out to be one of the most disturbing I have ever encountered. It was no surprise that money and medical insurance were major sticking points. However, the Medical was especially troublesome this time because Blue Cross was not able to give any indication as to how much the rate increase would be in the third year.

From the outset, Negotiations 2006 took on an extremely unpleasant tone and this had nothing to do with wages and benefits. Throughout the spring and summer, I emphasized in the newsletter how penalty-driven and punitive a large number of the System's contract proposals were. These continued to be a tremendous stumbling block to any contract settlement.

On Labor Day, money, medical and language were still not coming together. That is why, at 8:00 P.M. on Labor Day evening, the Association's Team declared an impasse and left the negotiating table. Having endured an extremely ugly strike three years ago, no one really wanted to deal with another one. However, non-ratification and a work stoppage seemed inevitable.

Happily, this worst case scenario did not play out, because, in the overnight hours of September 4th, the ACT Team was asked to come back to the table to work on "a fair and just contract." This was made possible, in no small way, because of the involvement of both the Secretary for Catholic Education, Richard McCarron, and Bishop Joseph McFadden, the auxiliary bishop in charge of education. They listened to the representatives of their teachers. They heard what ACT was saying about the money and the medical insurance; they also heard what we said about the disrespect being shown to teachers by many of their language proposals. The money offer improved significantly, the medical plan stayed in place and the odious, anti-teacher proposals disappeared. I truly thank them for their presence and their intervention.

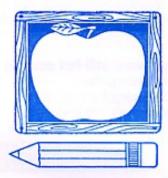

On Tuesday morning at 11:00 A.M., I was able to stand before you, the members, and present a contract that both the Negotiating Team and the ACT Executive Board could unanimously recommend. A listing of Contract Highlights can be found on Pages 4 and 5 of this Newsletter.

The secret ballot vote of 528 to 300 told us that even though well over 60% of the teachers expressed approval of the new Agreement, a great many were still not completely happy with the results.

With the vote to ratify, there will be labor peace in the high schools of the Archdiocese of Philadelphia for the next two years. During those two years, rest assured, ACT will be hard at work preparing for Negotiations 2008.

I would like to express my thanks and sincere appreciation to an incredible Negotiating Team. Maureen Colanzi, Mike Cunningham, Ellen Donato, Mike Galante, Chuck Panepresso, Joe Schuler, Irene Tori and John Zoccola, you were awesome!

Happy New School Year to everyone.

Representation May Be Crucial

Article III, Section 2 of the Labor-Management Agreement is short but extremely important. Please pay particularly close attention to what it has to say.

No teacher may be asked to attend a meeting with the school or diocesan administration without a representative of the Association being present if the teacher reasonably feels the meeting could result in disciplinary action against him/her.

Disciplinary action cannot be taken against any teacher unless the teacher has been apprised in writing of his/her right to union representation.

Should you "reasonably feel" the meeting could turn into one that involves you in disciplinary action, immediately get to your Senior Delegate for advice or call the RCT Office if you choose. Don't let a relatively minor situation turn into a major one because you decided you could "handle" it yourself.

Executive Board Election

In November of even numbered years, officers, other than Area Vice Presidents, shall be elected. Filing of petitions to run for an office (President, Vice President, Executive Secretary, Treasurer, and Legislative Representative, and three Members-at-Large) must be submitted no later than October 20th. Senior Delegates have received and have posted the notice of elections and the particulars of the process on the ACT Bulletin Board. If you are interested in running for an Executive Board office, please check the ACT Bulletin Board. If you have any questions, see your Senior Delegate or call the ACT Office at 215-568-4175.

Alert on Changes in Status

Have you informed both your school office and the ACT Office of any changes in your marital or family status? Most importantly, have you been sure to include any new dependents on your health and dental plans?

Don't wait until that person needs to use the plan. Please inform the ACT Office and

the local school administrators of your changes.

Make sure when supplying the information to your school that you put the information in writing and put a date on it before signing. It could mean a considerable financial outlay on your part or a huge wait in time until the changes can be made if you don't take care of these things TODAY.

ATTENTION LONG-TERM SUBSTITUTES

Long-term substitutes hired prior to November 1, 2006 for the full school year are eligible to obtain dental benefits. The premium will be borne by the teacher. The rate for single dental coverage is \$17.43 per month. The family rate is \$44.44 per month. If you are interested in the dental plan, please contact Ginny Crowther at the ACT Office at 215-568-4175 for an enrollment form and additional information.

MEDICAL OPEN ENROLLMENT

Open enrollment for the Medical plans will occur during the month of October. Plan and rate information should be in the schools shortly. New teachers will need to select one of the following two plans: Personal Choice 20/30/70 or Keystone HMO. All other teachers may change their medical plan during the open enrollment period. The plan selected will go into effect on November 1, 2006.

Congratulations, Bob!

Bob Clothier, a veteran teacher at Archbishop Ryan High School, received the Spirit of Ryan Award on April 2, 2006. Bob was the only faculty member and non-alumnus chosen for this first time award.

The Spirit of Ryan Award was initiated as part of the festivities for the school's upcoming 40th anniversary. Alumni, faculty and friends of the Ryan community were asked to nominate individuals who have forwarded the mission of the school through time and service given to the Ryan community. Bob received terrific support from his colleagues in recognition of his commitment.

Lou Fante, another veteran teacher at Ryan, wrote the introduction for Bob when the award was presented to him at the Communion Mass and Breakfast on April 2nd. Lou stated, "Bob is a man on the go who wears many hats in service to the school." Over 300 people were in attendance for this special occasion.
